Versus		
Dalsingar Damodar Singh (Since Deceased)	]

Mr. R. R. Mishra for Petitioner.
None for Respondents.

CORAM :- M. S. SONAK, J.
DATE :- MARCH 25, 2015

P. C. :-

1. The variation in interim order is claimed on the basis of the decision of the High Powered Committee dated 31/07/2010. There is no justification for seeking variation after a period of almost 5 years since the making of Order dated 31/07/2010.

2. In the meanwhile, the Petitioner had applied for interim relief which was rejected by the Order dated 18/04/2013.

3. Since hearing of the Petition is already expedited by Order dated 25/01/2010, place this matter on the board for final hearing in the week commencing from 27/04/2015.
4. There is, however, no case made out for variation of the order, by which interim relief was declined to the Petitioner.
5. Civil Application is disposed of accordingly.
