

applicant/accused and other two persons kidnapped him and assaulted him with kicks and fist blows. He was kept in one room on 13th and 14th July, 2015 and thereafter on 16th July, 2015 he was released. In between on 13th July, 2015 his brother Nitin gave complaint of missing of the complainant Dada Bharne. Thereafter, the complainant gave information to the police station and the applicant/accused was arrested.

3. The learned counsel for the applicant/accused submits that the case is bogus. The applicant/accused has not committed any offence. He submits that the applicant/accused was prosecuted in one case under Section 307 of the Indian Penal Code. However he is acquitted in that case on 21st September, 2005.

4. The learned prosecutor opposed the application.

5. Perused the first information report, the statement of the witnesses and the medical certificate. It shows that no ribs of the complainant were fractured. It seems that Kisan Pore who was accompanying the complainant, was aware about the assault and

threats given to the complainant by the applicant/accused. However, he did not report for two days to the police though the complainant was missing. Considering all the circumstances, I am inclined to confirm the interim pre arrest bail granted earlier to the applicant/accused.

6. The interim pre arrest bail granted earlier to the applicant/accused on 7th August, 2015 is hereby confirmed on the same terms and conditions. Now the applicant/accused to attend the concerned police station till filing of the charge sheet.

7. The anticipatory bail application stands disposed of on the aforesaid terms.
