Coram :- Smt. R.P. SondurBaldota, J.**28th July, 2015.****P.C. :-**

1). This petition seeks review of the order dated 8th October, 2014 by which the petitioner's Civil Application for impleading himself as a party respondent to the petition was dismissed. The order under review holds that, the petitioner is not a necessary party to the petition. Mr. Jalan, the learned Advocate appearing for the petitioner, seeks to submit that, if not a necessary party, the petitioner would be a proper party because it was at his instance that the proceedings had been initiated before the Assistant Provident Fund Commissioner. The submission advanced is more in the nature of challenge to the order. There is no case made out for review of the order. It is clear that the Review Petition filed is nothing but an abuse of process of law. Hence, the Review Petition is dismissed.
