Common Order :

Since, the issue involved in these writ petitions is
identical and since, the petitioners have sought similar directions

against the respondents, they are heard together and are decided by this common order.

The learned counsel for the petitioners states that the issue involved in these petitions was also involved in a bunch of writ petitions bearing W.P. No. 4122 of 2013 and others and this Court has, by a judgment dated 13th December, 2013 allowed the writ petitions and directed the respondents to pay the compensation to the petitioners within a period of three months. It is stated that this Court has granted interest on the amount of compensation @ 8.25 % per annum from the date on which the agreements were executed in writing till the date of payment of compensation. The learned counsel for the petitioners seeks similar order in these cases also.

Mr. Hegde, the learned counsel appearing on behalf of MIDC does not dispute that similar issue has been decided by this Court by the judgment dated 13th December, 2013, referred to herein above. It is further stated that in two petitions, it appears that the lands were not notified and hence, the compensation would not be payable in respect of those lands.

Since, the issue involved in these petitions has been answered in favour of the petitioners, we allow the writ petitions for

the reasons recorded in the judgment dated 13th December, 2013 in Writ Petition No.4121 of 2013 and ors. On similar lines, we direct the respondents to pay the compensation to the petitioners within a period of three months. The amount of compensation shall carry interest @ 8.25 % per annum from the date on which the petitioners have executed agreements in writing with the State Government till the date on which the compensation is actually paid to the petitioners. Order accordingly.

No costs.
