P.C.

1 This application is for condonation of delay of 364 days in filing the petition for review of the order dtd. 1st August, 2012. The application is filed on 25th November, 2013. The application does not contain any ground whatsoever explaining the delay in filing that application. At paragraph 5 of the application, the applicant merely states that the delay is neither intentional nor malafide, but on account

of circumstances beyond the control of the applicant. It is obvious that there is no case made out whatsoever by the applicant for condonation of the delay in filing the application. Hence, the application is dismissed.
