P.C.:-

1 This application is for leave to intervene in company
petition no.539 of 2013.

2 Having considered the affidavit in support, it is the case of
the applicants that they were owners of the premises which was
given on leave and license and respondent company had not paid
substantial amount of license fees. It is also stated that the movables
of the respondent company are within the premises and the premises
has been taken possession by the Official Liquidator.

3 In my view, it is a fit case to allow the application. The
Official Liquidator also has no objection.

4 In the circumstances, the application is allowed and
accordingly disposed of in terms of prayer clauses -(a) and (b).
