and Co. for Respondent No. 5.

DATED :- AUGUST 31, 2015

The Slum Rehabilitation Authority has communicated to the Principal Secretary, Department of Housing, Government of Maharashtra that it is no longer interested in proceeding with and concluding the acquisition proceedings. Therefore, the written instructions received by the Petitioner's Counsel to that effect enable him to seek leave of this Court to withdraw this Writ Petition. In the light of this communication from the Slum Rehabilitation Authority, we are of the opinion that the leave to withdraw this Writ Petition can be granted. It is accordingly granted. The Writ Petition is disposed of as

withdrawn. A copy of this communication is taken on record and marked as 'X' for identification.
