Court's or Judge's orders.

Mr. P.J.Mehta, Advocate for Petitioner.
Mrs. B.H. Dangre, Government Pleader for Respondents 1 to 5.

CORAM : B.R. Gavai &
Mrs. Mridula Bhatkar, JJ.
DATED : February 25, 2015.

The petitioner has filed the present petition contending therein that there are huge scale of malpractices, irregularities and corruption insofar as the construction of road between Malhivra and Malvagad is concerned.

An affidavit-in-reply has been filed by Mr. Popat Punjaba Khandagale, the Executive Engineer, Public Works Department, wherein all the details regarding issuance of tender work, allotment of contract etc. is given. It is specifically stated that the contractor had started his work and the work was even inspected by the office of the Superintendent Engineer, Vigilance and Quality Control Circle, Amravati on 10.09.2009 and accordingly issued observation memo dated 06.10.2009. It is specifically stated that the work was completed in March, 2010 and period of almost four years is passed from the said date.

On the last date, we had directed the learned Government Pleader to place on record the photographs

since it was submitted on behalf of the petitioner that the road was not in existence. The learned Government Pleader has accordingly placed on record the photographs which show that the road is in existence.

It is further to be noted that the construction of the road is completed in March, 2010 whereas the petition is filed in the year 2014. No explanation as to why the petitioner has not approached this Court earlier has been given.

In that view of the matter, we are not inclined to entertain the petition. P.I.L. is rejected.
