CORAM : SMT.VASANTI A. NAIK &
A.M.BADAR, JJ.

DATE : 05.08.2015.

By this contempt petition, the petitioner has sought action against the respondent under the provisions of the Contempt of Courts Act for deliberate and willful disobedience of the directions issued by the judgment, dated 18/12/2014 in Writ Petition No.5091 of 2014.

It is stated on behalf of the petitioner that though this Court had, by the judgment, dated 18/12/2014, directed the respondent to consider the petitioner for promotion to the post of Section Assistant from the category of physically challenged, the petitioner has not been considered for promotion to the said post till date. It is stated that despite the representation of the petitioner, there is inaction on the part of the respondent.

On a reading of the judgment, dated 18/12/2014, of which the contempt is alleged, it appears that we had not directed the respondent to immediately promote the

petitioner to the post of Section Assistant from the category of physically challenged. The respondent was only directed to consider the petitioner for promotion to the post of Section Assistant. It is admitted that though some posts of Section Assistants are vacant, the respondents have not initiated any process for filling up the posts. If such a process is initiated, then only it would be necessary for the respondent to consider the petitioner for promotion to the post of Section Assistant from the category of physically challenged employees along with others.

In view of the aforesaid, the contempt petition is disposed of with no order as to costs.
