Contempt Case No.53 OF 2015

Dated this the 30th day of January, 2015

JUDGMENT

This contempt case has been filed by the petitioner for taking contempt action against the 17th respondent for not complying with the direction given by this court under section 11 and 12 of the Contempt Court Act.

2. It is alleged in the petition that as per order of this court dated 25.06.2014, a direction was given to the ADGP, (Crimes) for according sanction on the draft final report filed in the case as expeditious as possible, at any rate, within three months from the date of receipt of the order and take step not file the final report in court. According to the petitioner, that has not been complied with so far. So, he wants action to be taken against the respondent herein for disobeying the order of this court. The respondent filed detailed statement through the Government Pleader in which it was mentioned that sanction has been accorded by the ADGP,(Crimes) in respect of several cases relating to the same accused persons including the one filed by the petitioner as per order No.1324/CB/EOW CSO/2014 dated 24.12.2014 and 27 charge sheets will have to be filed on the basis of the same in respect of similar transactions done by the same

accused persons and for that purpose they will have to obtain certified copies of the documents to be relied on in each case to be produced before court along with the final report. They have already filed an application before the court on 15.01.2015 and they will be able to file the final report in this case within one month. Considering the statement filed by the 17th respondent, this court feels that there is no necessity for taking any action for contempt as claimed in the petition. The above statement is recorded and the contempt case is closed.
