C.C.(C) No.422 of 2015

Dated this the 8th day of April, 2015.

JUDGMENT

The petitioner's grievance is that he being harassed by the respondent in connection with the investigation/enquiry pending adjudication proceedings. In fact, petitioner has approached this Court challenging prohibitory order issued by the department and this Court by Annexure I judgment, lifted the detention subject to certain conditions. There is no case in any of the directions has been violated other than complaining about harassment by the investigating officer.

In that view of the matter, I am of the view this is a matter related to the events post judgment and not forming part of the reliefs sought before this Court. Therefore, the petitioner shall take up the matter at appropriate level and with that liberty, the contempt case is closed.
