JUDGMENT

This appeal is of the year 2009. Though several opportunities were given to the appellant to take out notice to the first respondent and on 10.8.2015 notice was ordered to the first respondent by special messenger so far no steps were taken by the appellant to serve on the first respondent. When this matter was taken up for consideration on 3.9.2015 there was no representation and even today, when this matter is taken up for consideration there is no representation. The defect still subsists. In the said circumstances, this appeal is dismissed for non-prosecution.
