Contempt Case (C) No.840 of 2015

Dated this the 21st day of August, 2015

JUDGMENT

It is submitted by the learned Government Pleader that actually condition No.2 is never intended to be obtained by the petitioner. It is further submitted that on account of apparent mistake in not incorporating the word 'not' in the order, created confusion. In that view of the matter, the contempt is closed ordering that condition No.2 shall not be insisted for the purpose of processing the application. The Geologist is directed to issue fresh order incorporating these aspects.
