Crl.M.C. No.496 of 2015

Dated this the 23rd day of January 2015

ORDER

The accused in Crime No.2636/2014 of the Cherthala Police Station, registered for the offence under Section 511 of 379 of the Indian Penal Code, has come up with the petition under Section 482 of Code of Criminal Procedure, for getting the proceedings against her, quashed.

2. The allegation against the petitioner is that she had attempted to snatch away a gold chain from the neck of a 3 year old girl, who is the grand daughter of the de-facto complainant. It seems that she was caught red handed.

3. The allegations against the petitioner are very grave and serious. This is not a fit case wherein the proceedings can be

quashed under Section 482 of Code of Criminal Procedure.

4. It seems that the offence alleged against the petitioner is one under Section 379 of the Indian Penal Code. If the offence continues to be the one under Section 379 of the Indian Penal Code after the investigation, the parties can well compound the offence before the court below.

With the above said observations, this Crl.M.C. is dismissed.
