CRL. M.C. No.2508 of 2015
.....

Dated this the 16th day of September, 2015

ORDER

Heard both sides.

2. A series of documents have been called for in the matter and all those documents were produced. Again, it seems that repeated attempts were there to drag on the matter unnecessarily by seeking production of several documents and also for making some of the earlier bank officials as parties. Last time also, this Court has found that there is no scope for the production of any further documents in the matter and also no further scope of dragging other parties into the matter. As things exits now, the court below shall dispose of the matter as expeditiously as possible.

With the above observation, this Crl.M.C. is disposed
of.
