ORDER

~~~~~

Petitioner is the accused in Crime No.1190/2015 of Adoor Police Station for the offence punishable under Section 420 read with Section 34 IPC. The allegation against the petitioner is that under the name of Bharat Service Society(BSS), he, with the intention of cheating the de facto complainant and others, gave an application to the Coir Board that they may be appointed as the nodal agency of Coir Board, and on 02.02.2015, the Coir Board appointed them as a non-governmental organisation. It is alleged that they gave wide advertisement in print and visual media and invited applications for certain posts and received an amount of ₹100/- from 6000 persons by way of registration fee. Even after the period of licence, he allegedly continued to do it and collected ₹40,000/- to ₹1 lakh each from various

job seekers. When there are serious allegations, the matter has to be investigated upon. The investigating officer is conducting the investigation presently.

2. It is too premature at this stage to say whether there is any merit in the allegation or not. That has to be verified in the investigation and evidence has to be collected. Presently, by invoking the power under Section 482 Cr.P.C., this Court cannot go into the intrinsic particulars of the matter and the evidence collected. Therefore, this Crl.M.C. is too premature and is only to be dismissed.

In the result, this Crl.M.C. is dismissed. It is open to the petitioner to move the appropriate forum at appropriate stage in case of any further grievance in the matter.
