It seems that without informing the petitioner, the respondents have moved the court below with an I.A. seeking for stay of the operation of the judgment and decree, that too on a date on which the appeal was not posted. It seems that without advancing the appeal, the court below had entertained the said application and passed an order. In fact, just prior to that, this Court had passed an order granting police protection to the petitioner for the construction of the compound wall of his property. The court below is directed to dispose of A.S.No.50 of 2014 as expeditiously as possible, at any rate within a period of three months from the date of receipt of a copy of this judgment.

The concerned judge who is in charge of the court below shall dispose of the appeal as ordered above.

In the result, this Original Petition (Civil) is disposed of as above.
