JUDGMENT

This review petition is filed by the respondents in the writ petition, stating that even though a submission was made before this Court that the caste certificate was issued on 27.09.2012, actually it was a communication to the writ petitioner stating that he is not eligible to get the caste certificate on 'Hindu Paravar Community' and he belongs to 'Chakkamar Community'.

2. The learned counsel for the respondents submitted that such a communication has been received and challenging the same, they filed W.P.(C).No.27696/2013 and is now pending. The review petition is therefore disposed of in the following manner.

The judgment is modified to the extend that actually the communication issued to the petitioner is not one by way of issuance of caste certificate as sought for but it was only an information about the fact that he was

not entitled for issuance of a caste certificate as sought for. The judgment is accordingly modified and the review petition is allowed.
