ORDER

Ramachandran Nair, J.

This review petition is filed by the Insurance Company by pointing out that there is an error in the multiplier adopted. According to the averments in the review petition, the deceased was aged 42 and therefore the multiplier taken as 15 is not correct.

The learned counsel for the respondents submitted that Ext.A10 is the salary certificate of the deceased where the date of birth is shown as 25.03.1964 and the accident was on 18.03.2004. In that view of the matter, we have correctly taken the age as 40 and the multiplier is also proper. Therefore, there is no ground to review the judgment. Accordingly, the review petition is dismissed.
