Review petition is filed seeking to review judgment dated 27/1/2015 in OP(KAT) No.4007/2012. OP was filed challenging an interim order passed by the Kerala Administrative Tribunal. It is stated by the learned counsel that even while OP(KAT) No.4007/2012 was disposed of, final orders had already been passed by the Kerala Administrative Tribunal. However, the same could not be brought to the notice of this Court. On a perusal of the judgment, what we have done was only confirming the interim order passed by the Tribunal. If the final order was already passed and brought to the notice of this Court, apparently we would not have ventured to decide the case. However, as matters stand now, since the order passed was only against an interim order, we do not think that an application for review is maintainable.

2. Under such circumstances, we do not intend to review
