ORDER

The review petitioner is seeking review of the judgment pointing out that this Court did not direct the authority to consider the question of plea of limitation. In fact, this Court did not direct the authority to consider the issue of limitation for the reason that in the earlier round of litigation, challenging notices, in WP(C) No.24148 of 2014 and connected matter, it is recorded that the petitioner will not raise the plea of limitation.

2. Learned counsel for the petitioner submits that that was taking note of the assurance that proceedings will be completed within two months. Therefore, the question of plea of limitation shall be considered afresh. This Court is of the view that in such cases, the petitioner shall approach the court which rendered judgment in WP (C) No.24148 of 2014 and connected matter and not in this writ
