W.P. (C) No. 13920 of 2015

ORDER

The grievance projected by the petitioner in the review petition is that as civil suits between the parties are pending, the observations made in the judgment may affect the final verdict in the suits as well as the previous decrees.

Therefore, the review petition is disposed of, making it clear that this Court has not touched anything on merits and the right of the parties shall be governed by the decrees already passed and yet to be passed in the pending civil proceedings.
