This writ petition is filed challenging Ext.P1 order of the 2nd respondent directing the petitioner to take up the work of construction of a drainage to a thodu during the financial year 2007-08 itself and to carry out and complete the work before expiry of the said year. This writ petition was admitted on 07.03.2007. On the said date, this Court has passed the following interim order :

"Issue urgent notice on admission by speed post to R1. Post on 22/3/07. In the meanwhile, Ext.P1 to the extent it directs the Corporation Engineer to complete all paper works including all sanctions from the Govt. and appointment of the Contractor before the closure of this financial year will be kept in abeyance."

In view of the interim order passed, the paper work regarding obtaining a sanction from the Government and appointment of Contractor was kept in abeyance. The situation continues to this date.

Though this case is posted before me for hearing, there is no appearance for the petitioner. It is obvious that the petitioner is no longer interested in prosecuting this writ petition. The same is therefore dismissed.
