The local level monitoring committee has already taken Ext.P3 decision to treat the property as converted land. This is because the wet land was converted as a garden land much before the commencement of the Kerala Conservation of Paddy Land and Wet Land Act, 2008.

2. The third respondent is therefore directed to proceed ahead with the application for building permit put in by the petitioner. The needful shall be done within a period of one month from the date of receipt of a copy of this judgment.

The writ Petition is disposed of.
