JUDGMENT

Shaffique, J.

Petitioner has approached this Court alleging police harassment. According to the first petitioner, he is in love with a girl and he intends to marry her . But there is some objection from the side of the girl's father. Now that without even registering a crime police is unnecessarily harassing the petitioners.

2. Learned Govt. Pleader submits that a “woman missing” complaint has been given by girl's father, the 6th respondent and a crime has been registered as Crime No. 20/2015 of Kottakkal

Police Station. Enquiries were made by the police only with reference to the said crime and, therefore, there is no harassment by the police.

3. Since the police is only investigating the crime, we do not think that such investigation process amounts to any harassment to the petitioners. It shall always be open for the petitioners to approach the concerned police officer or the Magistrate having jurisdiction in the matter and proceed in accordance with law.

With the above observation, this Writ Petition is closed.
