W.P.(C). No. 1398 of 2015

Dated this the 16th day of January, 2015

JUDGMENT

The petitioner participated in the event 'Mrudangam' in the District Level School Kalolsavam and could secure only the third place with A Grade. The appeal was rejected by the Appeal Committee as per Ext.P1 order allegedly without considering the contention that the judgment was defective and hence the writ petition.

2. The learned Government Pleader submits on instructions that, there is no pith of substance in the contentions raised. The video has been viewed and there was no such report from the stage manager.

3. After going through the pleadings and proceedings and the submissions of the learned Government Pleader, this Court finds that the petitioner has not established any tenable ground to call for interference. Accordingly, interference is declined and the writ petition is dismissed.

**P.R. RAMACHANDRA MENON,
JUDGE.**
