Heard learned counsel for the petitioner and the learned Government Pleader.

2. By this *writ petition*, the petitioner alleging police harassment, has prayed for a direction to the 1st respondent not to harass him. It is his case that he had some financial transaction with the 2nd respondent and at the instance of the 2nd respondent, 1st respondent is calling the petitioner to appear before the police station.

3. The learned Government Pleader, after obtaining instructions, would submit that a complaint was received by the Commissioner of Police against the 2nd respondent and the same has been forwarded to the 1st respondent for investigation. It is submitted that, it is in that connection

that the petitioner was called to appear before the police. But, instead of appearing before the police, the petitioner has filed an application for anticipatory bail.

3. In the facts and circumstances of the case especially when the petitioner was called in connection with the complaint received by the Commissioner of Police, we do not find any element of police harassment in this case. It is open for the petitioner to appear before the police and co-operate with the investigation.

With these observations, this *writ petition* is closed.
