The petitioner seeks for consideration of temporary permit application Ext.P3 in a defaulted service. The petitioner contends that the present application is only for a re-issuance of temporary permit.

2. The learned Government Pleader on instructions submits that, in fact the previous registered owner of the vehicle, who had committed default, had filed W.P.(C) No. 432 of 2015, in which there was a direction to issue permit, if there is no legal impediment. Since, there was an overlapping, the petitioner therein was asked to appear for a hearing and he did not appear.

3. Probably, the non-appearance was due to the

transfer of the vehicle. In any event, when there is an overlap, there would be no question of issuance of a temporary permit. Orders will be hence passed on Ext.P3 application.

The writ petition is disposed of.
