W.P.(C) No.3299 of 2015

Dated this the 3rd day of February 2015

Shaffique, J.

The petitioner has filed this writ petition seeking for police protection inter alia contending that he had taken a building on rent for providing residential accommodation for his workers. Initially there had been certain disputes with respondent Nos.3 to 6, who are the neighbours. When a complaint was filed before the police, the parties were summoned and respondent Nos.3 to 6 have assured that they will not create any obstruction to the workers of the petitioner residing in the said building. However, contrary to the said representation, again, when the workers started residing in the building, respondent Nos.3 to 6 have started threatening them. Petitioner again filed a complaint before the police. Since no action has been taken by the police to provide adequate protection, this writ petition is filed.

2. Learned Government Pleader on instructions would submit that since the petitioner has taken the building on rent,

-: 2 :-

the police will provide necessary protection as and when required, if there is any obstruction from respondent Nos.3 to 6.

3. In view of the nature of order being passed in the writ petition, it is not necessary to issue notice to respondent Nos.3 to 6.

We record the submission of the learned Government Pleader and close the writ petition with liberty to the petitioner to approach the 2nd respondent as and when there is any obstruction caused by respondent Nos.3 to 6.
