JUDGMENT

The petitioners who were continued on adhoc basis in the respondent raised a claim for regularisation. It is now submitted by the learned counsel appearing for the second respondent that the petitioners had also raised an industrial dispute with respect to the very same subject matter which has been answered against the employees and in favour of the management. The representative union is said to have challenged the said award of the Industrial Court.

Hence leaving open all contentions of either parties, to be urged in the proceedings under the Industrial Disputes Act, the writ petition would stand closed.
