Dated 20th February, 2015

JUDGMENT

The petitioner has applied for a temporary permit in the route Vengad - Kannur - Kozhikode which is said to be in the place of a regular permit issued in favour of stage carriage bearing No.KL 58C/5857. The petitioner contends that the said stage carriage is not operating on the route and there is a defaulted service.

2. The learned Government Pleader, on instructions, submits that the stage carriage in the regular permit has been released on clearance certificate and no substitution has been made till date. However, that alone may not be a reason to refuse the temporary permit. The Secretary would have to consider the need for such a service and also look at the available

timings before a decision is taken on the temporary permit. The learned Government Pleader also submits that the application has been rejected. However, the learned counsel for the petitioner contends that no order has been received.

3. In the above circumstances, written orders shall be issued within a period of one week from today to the petitioner and the petitioner is entitled to challenge the same before the appropriate authority.

Writ petition disposed of.
