The petitioner is the President of the Parent Teacher's Association of Government Girls Vocational Higher Secondary School, Vengara, Malappuram. They have obtained necessary permit for construction of the building. But when attempt was made to start construction, the same was obstructed by respondent Nos.5 to 8 and their men on the ground that the space earmarked for the construction of new building is a play ground which was used by them for their physical activities.

2. Though a complaint was given to the respondent police authorities, no protection was granted to proceed with the construction and hence, the petitioner has approached this Court.

3. Learned Government Pleader on instructions would submit that on receipt of Ext.P2 complaint, the police had gone to the site, removed the obstruction and made all arrangements to ensure that no obstruction is created by the private respondents or their men.

-: 2 :-

4. Having regard to the aforesaid submission, we do not think that any further direction is required to be passed in the case. If there is any further obstruction caused by the private respondents in the matter relating to construction of new building, the police shall ensure maintenance of law and order there.

With the above observation, this writ petition is closed.
