JUDGMENT

The petitioner has approached this Court with the following prayers :

(i) Issue a writ of mandamus or any other appropriate writ, order or direction commanding the respondents 4 to 6 to consider petitioner's fiber boat and out board engine for kerosene permit without insisting registration certificate and issue kerosene permit.

(ii) Issue a writ of mandamus or any other appropriate writ order or direction commanding the 5th respondent to issue registration certificate to the fiber boat and out board engine of the petitioner within a time frame fixed by this Hon'ble Court.

And

(iii) Such other order or direction deems fit and proper for this Hon'ble Court in facts and circumstances of the case.

2. The learned counsel for the petitioner submits that the grievance of the petitioner has already been projected by way of Ext.P3, which is pending consideration before the fifth respondent and

that the petitioner will be satisfied, if a direction is given to the said respondent to consider and pass appropriate orders thereon within a reasonable time.

3. Heard the learned Government Pleader as well.

4. After hearing both the sides and considering the limited extent of relief sought for, this Court does not find it necessary to go into the merits of the case. The Writ Petition is disposed of, directing the fifth respondent to consider and pass appropriate orders on Ext. P3, in accordance with law; after giving an opportunity of hearing to the petitioner, at the earliest, at any rate, within six weeks from the date of receipt of a copy of this judgment.

Petitioner shall produce a copy of this judgment along with copy of the writ petition before the fifth respondent for further steps.

The Writ Petition is disposed of.
