JUDGMENT

Shaffique, J.

Petitioner has approached this Court seeking police protection, inter alia, contending that the 2nd respondent, her husband is disturbing her and threatening her at her workplace as well as in the hostel where she is residing at present.

2. It is submitted that on 12-10-2014, the 2nd respondent, under intoxication of alcohol came to the house where they were residing and committed cruelty and also attempted to commit murder. Petitioner had to escape from the house and took shelter in the neighbouring house. Petitioner is now residing in a hostel.

3. The 2nd respondent is also working in the same establishment as driver of the bus wherein the petitioner is working as Peon. In the workplace also he is threatening the

petitioner with dire consequences.

4. Learned Government Pleader, on instructions, would submit that on the complaint of the petitioner, both the parties were called to the police station, but the petitioner did not permit the police to take a case against the 2nd respondent. Police even offered to provide adequate protection to take the 2nd respondent to a de-addiction center which she did not want to.

5. Having regard to the aforesaid submission, we do not think that a direction as sought for can be granted. However, we observe that, if there is any threat or offence being committed by the 2nd respondent, on the complaint of the petitioner, the police shall look into the matter and do the needful.

This Writ Petition is disposed of as above.
