The petitioner was aggrieved with the delay in rectification of anomaly despite a survey having been conducted. Paragraph 4 of the statement of the respondent is extracted hereunder:-

4. The Taluk Surveyor forwarded the complaint to the Village Officer for enquiry, report and also for furnishing revenue list. Since the Village Officer has reported the matter earlier, after a detailed enquiry he submitted the revenue list. The revenue list along with the complaint was handed over to Taluk Surveyor by the Additional Tahsildar for further action. The matter is still pending before the 4th respondent, Taluk Surveyor. Necessary steps will be taken in this matter to conduct the survey as early as possible.

2. The said undertaking is recorded. The rectification shall be made in accordance with law, if permissible within a period of three months from the date of production of the certified copy of this judgment with notice to the parties.

The writ petition is disposed of.
