The petitioner has filed the above writ petition on the ground that the 2nd respondent is not considering the application for registration of the petitioner's Trade Union, as applied for by Ext.P1, on the basis of the undue influence exerted by the office bearers of another Union functioning in the establishment. Neither the establishment nor the other Unions already registered and functioning within the establishment is impleaded herein.

For that short reason, the writ petition would stand closed without prejudice to the right of the petitioner to file a proper writ petition.
