The petitioner asserts that 11 KV transformer erected on the public road impedes the vehicular and pedestrian traffic. The petitioner has filed Ext.P1 representation seeking to shift the location of 11 KV transformer. The petitioner contends that safety measures have at any rate to be taken to insulate the transformer from the public.

2. I direct the second respondent to consider Ext.P1 representation with notice to the petitioner. The needful shall be done within a period of one month from the date of receipt of a copy of this judgment.
