The petitioner, who is a registered dealer under the KVAT Act, is aggrieved by Ext.P4 notice issued to him, detaining a consignment of plywood, that was being transported at the instance of the petitioner. In the writ petition, the petitioner is aggrieved by the insistence of the respondents that the petitioner must pay the security deposit demanded in the detention notice as a condition for release of the goods and vehicle.

2. I have heard the learned counsel appearing for the petitioner and also the learned Government Pleader appearing for the respondents.

3. On a consideration of the facts and circumstances of the case and the submissions made across the Bar, I dispose the writ petition with the following directions:

(i) On a perusal of Ext.P4 notice, it is seen that the objection of the respondents is essentially that the petitioner had wrongly classified the item that was being transported, and if a correct classification of the

product was done, then it would attract a higher rate of tax when sold locally. The respondents therefore suspected an attempt of evasion of tax. Counsel for the petitioner would submit that the transportation of the goods was accompanied by valid documents as contemplated under the KVAT Act, and, hence, there was no irregularity in the transportation of the goods.

(ii) Taking note of the fact, however, that the petitioner is a registered dealer within the State, I direct the 1st respondent to release the goods and the vehicle subject to the petitioner furnishing a simple bond without sureties for the security deposit demanded in Ext.P4 notice, before the 1st respondent.

(iii) The 1st respondent shall thereafter transmit the files to the adjudicating authority who shall adjudicate the matter and pass orders, after hearing the petitioner, within two months from the date of receipt of a copy of this judgment, untrammelled by the observations in this judgment.

(iv) The petitioner shall produce a copy of this judgment and a copy of the writ petition before the 1st respondent.
