W.P.(C) No. 11816 of 2015

Dated this the 8th day of July, 2015

The petitioners have approached this Court seeking a direction to the respondents to expedite and complete the regularization process.

2. The petitioners are engaged in various business including running of resorts, hotels etc. and they own a multistoried building at Kochi. There are some litigations between the petitioners and some of the neighbours; and this Court directed that the petitioners shall not run the establishment without obtaining consent from the Kerala State Pollution Control Board. Accordingly, they applied for consent. In the meanwhile, they also applied for regularization. The petitioners' grievance is that the application for regularization has not been processed and completed by the respondents so far. Hence, this writ petition.

3. Today, when the matter was taken up, the learned counsel for the petitioner would submit that the matter is now pending before the 2nd respondent.

Therefore, the 2nd respondent is directed to consider the matter after affording the petitioners an opportunity of being heard within a period of two weeks from the date of receipt of a copy of this judgment.

It shall be open to the petitioners to produce a copy of this writ petition as well as a copy of this judgment before the 2nd respondent to facilitate an early action.
