Dated this, the 29th day of October, 2015

Petitioner challenges Ext.P1 by which a notice had been issued to the petitioner informing him that as per order passed by the Taluk Officer on 8/8/2006, Village Officer had been called upon to evict the petitioner after registering proceedings under the Kerala Land Conservancy Act, 1957. Petitioner was called upon to vacate the premises within a period of seven days, failing which, it was mentioned that further proceedings will be taken. This apparently is a notice issued to the petitioner prior to taking proceedings under the Kerala Land Conservancy Act. This matter had remained before this Court since the last 9 years and there was stay of further proceedings. This being only a notice prior to the issuance of a notice under the Land Conservancy proceedings, I am of the view that there is no reason to keep the matter pending. It is observed that the revenue authorities are entitled to

take appropriate proceedings under the Land Conservancy Act in accordance with law after notice to the petitioner.

With these observations, the writ petition is dismissed.
