Dated this the 12th day of May, 2015

JUDGMENT

Petitioner, on the strength of Ext.P1 building permit wants to extract ordinary earth for the purpose of construction of a residential building.

2. In view of the Rule 14 of the Kerala Minor Mineral Concession Rules, 2015, no permit is required for extracting ordinary earth from the site covered by building permit. However, for the purpose of transporting ordinary earth, O (A) form is necessary. Therefore, there shall be a direction to the Geologist to issue O(A) form on being satisfied with the genuineness of the claim of the petitioner based on Ext.P1 and after ascertaining the quantity to be removed from the site. Needful shall be done within a period of ten days from the date of receipt of a copy of this judgment. However, it is

made clear that if the petitioner fails to construct any residential building, the Geologist is free to take appropriate legal action against the petitioner for contravening the provisions of the Kerala Minor Mineral Concession Rules, 1967.

The writ petition is disposed of as above.
