Shaffique, J.

The petitioner has approached this Court seeking police protection alleging that at the instance of respondent Nos.3 to 5, several persons are threatening the petitioner. The petitioner submits that she along with her husband was conducting business in UAE since 1979. While so, they had business transactions with 3rd respondent and later, their business suffered loss and they had to come back to their native place in India. Now, on account of various financial transactions, the 3rd respondent is demanding the petitioner to pay the money or to transfer the property.

2. The petitioner also submits that on the basis of a complaint given by the 3rd respondent, Crime No.49 of 2011 has been registered by the police, which is under investigation. The petitioner also had given complaint to the police for protection. Since no action has been taken in the matter, she approached this Court with this writ petition.

3. Learned Government Pleader on instructions would submit that the crime against the petitioner is being investigated

by the CBCID. Further, the averments in Exts.P4 and P5 disclose no offence as such and therefore, the police can do nothing in this matter.

4. Learned counsel for the petitioner submits that there are threatening calls from the private respondents and their men and the petitioner apprehends that some danger may cause to their life and property.

5. Having regard to the aforesaid factual situation, we do not think that any situation has arisen for passing an order as prayed for in this writ petition. However, we only observe that if there is any offence committed or attempt to commit offence, on the complaint of the petitioner, the police shall look into the matter and do the needful.

With the above observation, this writ petition is closed.
