W.P.(C) No. 14875 of 2015 (H)

Dated this the 30th day of June, 2015

J U D G M E N T

The petitioner seeks correction of his date of birth in the passport already issued to the petitioner.

2. The petitioner admittedly had been issued a passport more than 20 years back and renewed more than twice. The petitioner's claim is that as per Ext.P2 extract of the admission register, the petitioner's date of birth is 30.05.1966. He seeks that the same may be corrected in the passport, which reveals the date of birth to be 15.01.1960.

3. This Court in W.P.(C) No. 9073/2015 and connected cases, by judgment dated 23.06.2015, held that the correction of date of birth in passport, after many number of years would not be possible, especially finding that the passport discloses the identity of the citizen in his travels, residence and employment abroad and the date of birth declared thereon cannot be easily corrected for the asking.

4. As to the reliance placed on Ext.P2, it was held that the date of birth shown in the extract of the admission register is also based on a declaration made by either the petitioner or his parents and there can be no reliance placed on that when the petitioner had declared a different date of birth before the P.I.A. and had obtained a passport with a date, which had been acted upon by many others.

5. In such circumstance, no correction of date of birth can be made. The petitioner's prayer for correction of date of birth is rejected.

Writ petition is dismissed. No costs.
