W.P(C). No.15460 of 2015

Dated this the 26th day of May, 2015.

JUDGMENT

The petitioner in the above writ petition contends that the property of the petitioner in Survey No.269 of Thirurangadi Village in Malappuram District was obtained by the petitioner by Sale Deed No.2255/2010 of the S.R.O., Thirurangadi, produced at Ext.P1. The petitioner is aggrieved with the fact that the petitioner is not being issued with a building permit, since the same has been included in the Data Bank prepared in terms of Kerala Conservation of Paddy Land and Wet Land Act, 2008 (for brevity, Act of 2008). The petitioner contends that the land of the petitioner is not cultivated and the adjacent lands have been filled up and constructions made thereon. However, since the property has already been included in the Data Bank prepared in terms of the Act of 2008, the petitioner would have to approach the Local Level Monitoring Committee, the respondent herein, for

removing the same from the Data Bank as had been laid down in **Adani Infrastructure and Developers Pvt. Ltd. v. State of Kerala [2015 (1) KLT 651].**

2. The petitioner is also said to have filed Ext.P6 request before the authorities under the Act of 2008.

In such circumstances, if Ext.P6 is received in original with the respondent, the same shall be considered, if necessary after conducting a site inspection and orders be passed in accordance with law, as has been stated in the aforecited judgment. The orders shall be passed at any rate within three months from the date of production of the certified copy of this judgment.

The writ petition is disposed of.
