The petitioner had submitted before this Court that the petitioner had been issued with a trade licence earlier. This Court by an order dated 07.08.2014 directed production of the same. Nothing is produced till date. The Corporation also submits that they have not received any application from the petitioner.

2. In such circumstance, petitioner shall make proper application before the authority. No writ will issue in the matter of issuance of licences which is definitely within the authority of the body, who owns the premises and within the authority of the Local Self Government Institution, which issues such licences.

Hence, nothing survives in the writ petition and the writ petition would stand closed, leaving open such remedies.
