P.S. TO JUDGE

PJ

K. VINOD CHANDRAN, J

W.P(C) No. 18306 of 2015

Dated this the 14th day of July, 2015

J U D G M E N T

The learned senior counsel appearing on behalf of the petitioner submits that the petitioner at present is not intending to commence the operations of the quarry since admittedly he does not have the environmental clearance from the Environmental Impact Assessment Authority. However, Ext.P1 application is said to have been filed for renewal of the explosive licence. That definitely could be considered and quarrying operations could be commenced only after the environmental clearance certificate and the quarrying permit is received. In such circumstance, there shall be a direction to the 2nd respondent to consider Ext.P1 application after affording an opportunity of hearing of the

petitioner, expeditiously. The contention with respect to environmental clearance certificate shall be left open to be agitated before the authority.

Writ petition is disposed of.
