Dated this the 28th day of July, 2015.

JUDGMENT

The petitioner has filed Ext.P1 representation, which however has no statutory sanction. The petitioner's contention is that, the Government has to frame rules and regulations of laws, permitting import of sand. It is not for a citizen for this Court to coerce the Government into framing rules with respect to any matter for that.

The writ petition hence would stand dismissed. No costs.
