W.P (C) No.21923 of 2015

Dated this the 21st day of July, 2015

J U D G M E N T

The petitioner is aggrieved by the location of a Ring Main Unit (RMU) transformer by the Kerala State Electricity Board. The petitioner contends that the same blocks the easy access to his car porch. The request of the petitioner is to re-locate the RMU transformer beyond the pillars of his gate.

2. Ext.P5 representation put in by the petitioner is pending consideration. The local Member of Legislative Assembly has also addressed the first respondent by Ext.P6 representation. I direct the first respondent to consider Exts.P5 and P6 representations expeditiously. The needful shall be done within a period of two weeks from the date of receipt of a copy of this judgment.

3. The RMU transformer shall not be energised till orders are passed on Exts.P5 and P6 representations as directed above.

The writ Petition is disposed of.
