Dated this the 09th day of February, 2015

JUDGMENT

The petitioners seek shifting of the electricity supply line drawn over their property. Ext.P3 representation dated 09.01.2014 is pending consideration with the first respondent. The petitioners have also produced Ext. P6 sketch to buttress their contention that the route is economically viable and technically feasible.

2. I direct the first respondent to consider Ext. P3 representation with notice to the petitioners. The needful shall be done within a period of one month from the date of production of a copy of this judgment.

The writ petition is disposed of.
