The petitioner is aggrieved with the non-consideration of an application said to have been filed an a year back. The petitioner was already before this Court by W.P (C) No. 22766 of 2014 and there was a direction to consider the same. The petitioner has not taken any steps to file a contempt against that order. This Court is not inclined to pass orders one after another directing the very same relief. Writ petition would stand closed. The application is in any event will have to be considered.
